

BP Web Solutions Maintenance Rates

Maintenance plans provide an effective way to reduce costs of maintenance or regular updates to the site. All maintenance plans include the following:

- ✓ All administrative services required to keep the existing domain and server up and running, including paying for domain renewal, and ISP fees.
- ✓ Routine content updates. BPWS will be available to perform relatively minor content updates at your request. Generally, we can perform such updates immediately upon request, but do ask for 48 hours' notice.
- ✓ Technical support. BPWS will provide unlimited e-mail technical support and up to 1 hour of phone support
